## **Trash Policy**

It is the policy of the Swansea Housing Authority to have all trash placed in plastic bags and put inside the Dumpsters. Please be sure that all garbage is wrapped. It is the responsibility of the tenant to dispose of their own trash, not that of the maintenance employee.

**NO MATTRESSES AND/OR BOXSPRINGS, TV'S, COMPUTERS, ETC. ARE TO BE LEFT BY THE DUMPSTER.**

If you have any large trash that will not fit in the Dumpsters, please talk to maintenance about this.
