

SWANSEA HOUSING AUTHORITY

Vehicles and Other Equipment

No unregistered or uninsured motor vehicles are allowed on Housing Authority property. They will be towed at owner's expense. No one other than members of the household may keep any registered vehicles on the property unless they are visiting in accordance with the visitor rule. Only one vehicle per resident is allowed on the property.

There is an area designated for "Visitor Parking" across from the office (center parking lot). Please inform all guests and homemakers that they must park in that area.

There is "Employee Only" parking between the Community Building and Building #3. Please do not park there.

Residents are not allowed to wash their vehicles on Housing Authority property.

No boats, trailers, campers, motor bikes, all-terrain vehicles, pools (including wading pools), screen houses, swing sets or playground equipment are allowed on Housing Authority property. Nothing is to be placed on the lawn that will interfere with the mowing of the lawn.

Any variance of this policy should be brought before the Executive Director.
